HOLBROOK, AZ 86025

Dear Temporary Food Booth Operator,

The Navajo County Health Department requires all Food Handlers operating within the County to obtain a 'Permit to Operate.' Attached you will find this application as well as a set of minimum guidelines to follow to assure the safety of the food you have to offer. Also, please fill in and return the 'Event Schedule' indicating the time and date for the events that you plan to offer food in Navajo County.

Navajo County uses the Arizona Administrative Code, Title 9, Ch.8, Article 1 Food and Drink as the basis for the food safety requirements. This document is available on the Internet at <http://www.hs.state.az.us/edc/oeh/fc2000.pdf> or can be purchased from the Navajo County Health Department using the attached order form.

Please submit your application, your application fee, and your 'Event Schedule' in time for the Health Department to provide your 'Permit to Operate.'

Please contact either Gary Barnes at the Holbrook office (928) 524-4750 Ext 27 or Andy Brooks at the Show Low office (928) 532-6050 should you have any questions.

Sincerely,

Gary Barnes, RS
